

# CS315: Group xx

## An Example Project Report

Student Name 1	Student Name 2	Student Name 3
Student Id 1	Student Id 2	Student Id 3
Roll Number 1	Roll Number 2	Roll Number 3
email1@iitk.ac.in	email2@iitk.ac.in	email3@iitk.ac.in
Dept. of CSE	Dept. of XYZ	Dept. of ABC
Indian Institute of Technology, Kanpur		

Final report  
11th April, 2014

### Abstract

Abstract of the project.

### References

Directly type in bib entries.  
Better is to use bibtex.

## 1 Introduction and Problem Statement

State the problem as clearly and as formally as possible. Explain the notations, etc. Explain the objectives, and all the inputs. If possible, motivate why this is an interesting problem.

### 1.1 Related Material

Fill in all relevant work, datasets, websites, etc.

## 2 Algorithm or Approach

Details of the method. Put in a pseudo-code, etc. if applicable. Explain with figures.

## 3 Results

Details of results, in tabular and/or graphical formats.  
More importantly, analyze the results.

## 4 Conclusions

Clearly state the conclusions. Outline the future work.
